## Ideas to Try at Home

- Make a winters soup.
- See how long it takes for an ice cube to melt in different areas of your house. (Make predictions first)
- Read regularly and practise weekly sounds.

*Please note our curriculum is fluid and responds to the needs and interests of the children. Therefore, we use the following activities as starting points but then might change activities and focus on things that particularly interest the children. We ensure that the key knowledge and skills are covered but do not limit ourselves to these.*

### **Literacy**

- Letter formation and handwriting
- Writing sentences
- Fred talking phonetically
- Sounds consolidation
- Set 3 Letters and Sounds
- Writing lists
- Grammar

### **Enrichment Opportunities**

*Visit the Eden project.  
Mr Whetter to talk about buddism*

### **Geography**

- Features of our own environment in Portreath, UK and the world.
- Rainforests
- The Poles
- Climate change

## Key Learning and Activities

### **Art/DT**

- Painting, chalk pastels.
- Local environment
- Bark rubbings.

### **Science**

- Seasons
- Climate change
- Ice investigations
