DT

The children all have their own suits that keep them safe when they're fighting with the dragons - can you design, or even make your own battle suit?

Please note our curriculum is fluid and responds to the needs and interests of the children. Therefore, we use the following activities as starting points but then might change activities and focus on things that particularly interest the children. We ensure that the key knowledge and skills are covered but do not limit ourselves to these.

RE

For Christians, when Jesus left, what was the impact of Pentecost?
Christian beliefs about the Holy Spirit.

Key Learning and Activities

Science—Animals including Humans

From fertilised egg grows in the uterus to form the baby.
Research the gestation periods of different animals and compare to humans.

What changes happen between a baby and a toddler?

Find out and record the length and mass of a baby as it grows.

What changes happen between a toddler and child (age 3- 12)?

What changes happen between a child and a teenager?

What changes happen between a teenager and an adult?

What changes happen between as an adult ages?
