

## Maths Year 1

Count in 2s activity

Count in 2s      Compare lengths activity

Count in 5s activity      Compare heights activity

Count in 5s      Compare lengths & heights

Measuring lengths (non-standard

Measure length (1)

Introducing weight and mass activity

Introducing the ruler activity

Introducing weight and mass

Measure length (2)

Measure mass

Adding length problems

Compare mass

Weight and mass problems

Subtracting length problems

Introduce capacity and volume activity

Recap on place value to 50

Introduce capacity and volume

Recap on addition and subtraction

Measure capacity

Compare capacity

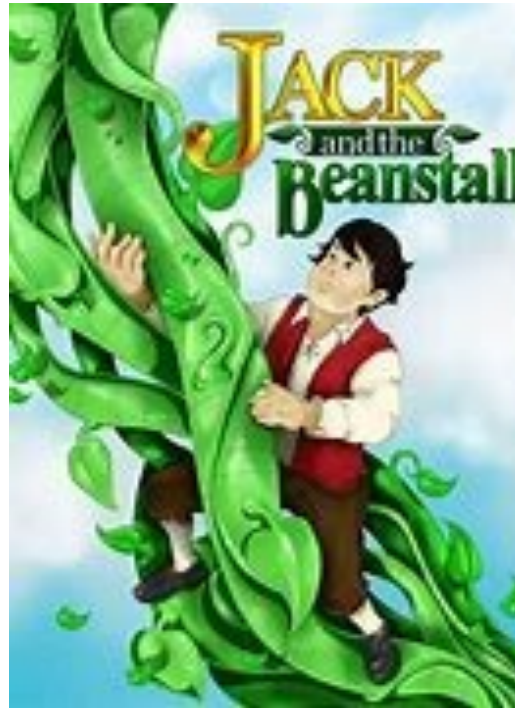

## RE: Easter

## PE

Team games

Coordination activities

Dance

## Ideas to Try at Home

- Read regularly
- Read Traditional Stories
- Grow some beans

Maple Class  
Spring 2  
2021

In Maple  
Class we are  
learning  
about:

Traditional  
Tales

*Please note our curriculum is fluid and responds to the needs and interests of the children. Therefore, we use the following activities as starting points but then might change activities and focus on things that particularly interest the children. We ensure that the key knowledge and skills are covered but do not limit ourselves to these.*

## Key Learning and Activities

### **Enrichment Opportunities**

*Grow beans and other veggies in our outside area  
Investigate ways of getting off the beanstalk-Make parachutes  
Dressing up as Jack/Giants –Stilts*
