Maple Class Summer 1 2021

In Maple Class we are learning about:

Bears

PE

Ball skill activities , throwing, catching leading to team games.

Ideas to Try at Home

- Read regularly and practise weekly sounds.
- Find out information about a sloth bear or spectacled.
- Spend time outside.

Please note our curriculum is fluid and responds to the needs and interests of the children. Therefore, we use the following activities as starting points but then might change activities and focus on things that particularly interest the children. We ensure that the key knowledge and skills are covered but do not limit ourselves to these.

Science

- Seasons
- Know the difference between herbivores, omnivores and carnivores

Geography

- Possible link to seasons with how the Earth orbits the sun.
- Locate places on a globe or world map
- Know that the Earth is a sphere
- Know about the South and North poles

Literacy

- Letter formation and handwriting
- Writing sentences
- Fred talking phonetically
- Sounds consolidation
- Consolidate Set 2 RWI
- Fred talking phonetically
- Fact files
- Asking questions and the use of a question mark.
- Possible Traditional story (re visit) Goldilocks and the 3 bears.

Key Learning and Activities

Music

- Explore how music can effect our moods.
- Use instruments to create short pieces of music to represent each bear studied.

Enrichment Opportunities **(When COVID restrictions are lifted)**

*Outdoor learning.
Trip to the woods
Trip around the village*

Art/DT

- Create pencil drawings of bears
- Create a collage of a big bear for the hall.

History

- None this half term
