

Maths

Numbers

Solve problems including doubling, halving and sharing

In practical activities and discussion, begin to use the vocabulary involved in doubling, halving and sharing.

Shape, space and measures

Children use everyday language to talk about position and distance to compare quantities and objects and to solve problems.

Can describe their relative position such as 'behind' or 'next to'.

PE

Ball skill activities , throwing, catching leading to team games.
Fun races.

Ideas to Try at Home

- Read regularly and practise weekly spellings.
- Read at least four times in the week.
- Visit a beach that you haven't been to before.
- Enjoy the outdoors.

Maple Class Summer 2 2021

**In Maple
Class we are
learning
about:**

**The seaside
Past and
present**

Please note our curriculum is fluid and responds to the needs and interests of the children. Therefore, we use the following activities as starting points but then might change activities and focus on things that particularly interest the children. We ensure that the key knowledge and skills are covered but do not limit ourselves to these.

Physical Development.

- Big wheeled toys
- Adventure playground
- Chalking
- Pencil control activities
- Continue reminding about personal hygiene.
- Parachute games

Personal, Social and Emotional Development.

- Time to talk game for small groups
- Discuss playing cooperatively
- Independent activities but reminding the children to ask for help if they need it.
- Following rules.
- Transition sessions

Literacy

- Letter formation and handwriting
- Writing sentences
- Fred talking phonetically
- Sounds consolidation
- Information books
- Writing stories
- Fact pages

Enrichment Opportunities

- *Beach*
- *Woods*
- *Park*

Expressive Arts and Design

- Clay fish
- Painting/printing nature from outside.
- Create music to go with surrounding areas.

Key Learning and Activities

Communication and Language

- Develop own narratives speaking them first with the possibility of filming them.
- Enrich vocabulary from our Knowledge organisers.

Understanding the world

- Using the laptops to create information books.
- Bee bots
